Amendment 11

Official Plan of the
Regional Municipality of Ottawa-Carleton

Purpose

The purpose of Amendment 11 is to extend the Proposed Transitway corridor on Schedule E westward along the Queensway (Hwy 417) in the City of Kanata. The corridor is being extended to the limit of Kanata's Urban Area as approved and modified in the Regional Official Plan.

Basis

The Proposed Transitway corridor is being extended westward in order to cross the City of Kanata's entire urban area. This extension of the Proposed Transitway to the limits of Kanata's Urban Area will also contribute to achieving the desired peak hour transit share of 35% for the Eagleson Road screenline as adopted by Council and expressed in Policy 12, Part 11 of the Regional Official Plan.

Policies 19 and 20, Part 11 of the Regional Official Plan states Council's intent to extend the transitway system to Kanata's town centre. The transitway corridor is being extended westward to acknowledge the westward extension of the urban area as approved and modified in the Regional Official Plan.

The Amendment

1. Schedule E, Transitway Route, is hereby amended by the extension of the Proposed Transitway westward as shown in Schedule "1" attached.
